### Food Rescue Vehicle Driver

#### Volunteer

<b>Regular Shift Available</b>	Monday to Sunday – Mornings and some afternoons
<b>Position Description Developed</b>	December 2022
<b>Position Responsible To</b>	WEEKDAYS – Shift Coordinator WEEKENDS – Warehouse Operations Manager

**Organisation Summary:** Bendigo Foodshare (BFS) is a vibrant organisation that reduces food insecurity across Central Victoria by distributing donated food and by supporting the development of food skills.

BFS commenced operations in 2013. It is a not-for-profit organisation, governed by a local volunteer Board and staffed by more than 200 active volunteers. BFS operates a seven-day service that sources, rescues donated and surplus food and distributes it to thousands of local people each week via local charities, community groups and schools across Central Victoria.

The core objective of BFS is to rescue food that would otherwise go to waste and distribute this food as food relief to reduce food poverty in Central Victoria. However, food relief is only part of the solution to improving food security within our community. BFS is also committed to working with the community to increase food skills, including growing, cooking and sharing skills, and to reduce the stigma and barriers to accessing help when it is needed.

**Position Summary:** The Food Rescue Vehicle Driver position is an exciting, dynamic and rewarding volunteer role for someone looking to support and contribute to the community. You will be the face of BFS when interacting with our food partners, including supermarkets and local businesses. You will collect food which is superfluous to the food partners' requirements so BFS can fulfil the food security demands of its Food Relief Partners.

*NOTE: It is preferable, but not mandatory, that you have experience working as a Warehouse Floor volunteer at BFS before hitting the road. It is mandatory that you have experience as a Food Rescue Assistant prior to commencing this role.*

The position is currently located at shed 2, 43A Havilah Rd, Long Gully but involves driving around Bendigo to rescue food from our food partners.

Please note that this activity involves significant amounts of manual handling, and a reasonable level of fitness is required. Manual handling tasks may include lifting, lowering, bending, pushing, pulling, holding, twisting, turning, repetitive movements and standing for extended periods of time. If you have a pre-existing injury or condition, this role may not be suitable.

We do not allow volunteers to participate if we determine they are unable to perform tasks safely.

All volunteers are required to wear a BFS high visibility vest and name tag as provided, steel cap shoes/boots and fit for purpose, comfortable and presentable clothing.
